WHY PARTNERS CHOOSE ALBION

Solving Real Pain Points for Saudi Partners

- ✓ Confidentiality: NDAs, IP-safe workflow
- ✓ Regulatory-Ready: Customs, paperwork, packaging
- ✓ Speed to Market: 4–6 weeks full production
- ✓ Flexibility: Design-led or Minimum Order Quantity-led collaboration
- ✓ Gulf-Facing Support: Dubai-based communication + regional focus

WHAT WE SOLVE FOR THE SAUDI MARKET

We Understand What You Need. And What You Can't Compromise On.

Discretion First

We work under strict NDAs. Every design, client name, and collection stays completely confidential, for big brands or new Gulf retailers.

Flexible Order Quantity, High Quality

Need 10 pieces for a VIP event or 5,000 for big retail? We adjust our production without losing quality or detail.

Creative and Technical

We work closely with your design team. From ideas to final CADs, we help turn your vision into real products that can be made.

Heritage Meets Compliance

Albion blends craftsmanship with global standards. Our sourcing, shipping, and legal processes match Saudi Arabia's rules and retail needs.

Faster Time to Market

Saudi brands work quickly. Our process takes your idea to delivery fast. Samples in 2–3 weeks. Full production in 4–6.

At Albion, we can help overcome challenges with CAD design, production timelines, quality consistency, minimum order sizes, and cost issues that many brands face with existing suppliers.

Albion Team

TAYLORED FOR VISIONARIES

Albion Jewellery

Since 2006 - Now

Albion was founded with a simple philosophy: precision should never compromise soul.

What began as a small family-led atelier has evolved into a high-capacity manufacturing partner serving global clients. Today, we are a trusted jewellery manufacturing partner for brands worldwide. We combine traditional craftsmanship with modern technology, offering custom designs, careful production, and global delivery. At Albion, we believe in creating jewellery that holds meaning and lasting beauty.

HOW TO PARTNER

Let's Craft Something Timeless Together

Partnership in 4 Simple Steps

01

Send your moodboard or sketches

- Start by sharing your ideas, inspiration boards, or rough sketches. This helps us understand your vision, style, and the kind of jewellery you want to create.

02

Schedule a Discovery Call

Book Capabilities Call or Request Full Capabilities Deck

Email: Preeti.bahl@albion.in

03

We prepare CADs + sample proposal

- Once we have your designs, our design team creates detailed CAD drawings and a proposal for your sample. This shows how your designs will look in real life and helps plan materials and costs.

04

Onboard under NDA and start production

- After you approve the proposal, we sign an NDA to protect your designs and business information. Then, we begin the production process, turning your vision into beautiful jewellery pieces.
